

---

Hello,

I am A. Suresh having 15 years of experience in Automotive design using CATIA V5. Looking for carrier transition into data science and as part of this completed my Data Science certificate from Simplilearn.

**Internships:**

- 1) Completed Internship with **Department of CSE SATI(D)**.
- 2) Completed Internship with **The Machine Learning Company (TMLC)**.
- 3) Completed Internship with **TECHNOCOLABS**.
- 4) Completed Internship with **The SPARK Foundation**.
- 5) Completed project-based mentorship program with Databook.
- 6) Participating in competitions of KAGGLE, Analytics Vidhya and Machine Hack.

Please consider my resume for your open position.

Thanks and Regards,

Suresh A
